**04 / HOW AN ORDER WORKS**

# From your enquiry to Colombo.

## **01 Confirm your requirement**

Share the model, trim, quantity and required timing. We confirm the manufacturing year, colour and agreed specification before purchase.

## **02 Review your quotation and LC**

Review the CIF Colombo price, insurance, inclusions and exclusions. Payment is by Letter of Credit (LC), on agreed bank and documentary terms. The contracting entity is Siam Auto Export Co., Ltd.

## **03 Source and check the vehicle**

Before shipment, we check the chassis number, mileage, visible condition, accessories and basic functions. You receive photographs and a check summary.

## **04 Arrange BV and documentation**

We arrange BV inspection and certification, the commercial invoice, packing list, Thai export and shipping documents, and applicable certificates needed for Sri Lankan clearance. We coordinate requirements with your bank and clearing agent.

## **05 Ship and prepare for clearance**

We coordinate Thai transport, export clearance and shipment to Colombo. Insurance, destination charges and the responsibility-transfer point are stated in the agreed terms. Our clearing service is included; buyer-paid charges remain separate.

---

## **Track your order in the members area**

Follow sourcing, checks, BV inspection, export preparation, shipping and Colombo arrival, with relevant photos, documents and the latest estimated arrival date.

## 05 / WHY WORK WITH US

# A partner to your dealership business.

## Dealer-only wholesale supply

Competitive wholesale prices and transparent CIF quotations help you assess each purchase against your margin. We do not compete with you for end customers.

## Know exactly what you are buying

Written specifications, photographs and a pre-shipment check summary help you verify the vehicle. We obtain your written agreement before proceeding with a discrepancy or accepting a substitution.

## Stay informed throughout the order

Live order-status updates are available in the members area, with photos, documents and estimated arrival dates. We provide milestone updates and weekly progress updates while an order is pending.

## Colombo warranty and after-sales support

Our Colombo branch assists with warranty enquiries, claim coordination and after-sales support. Coverage is 3–5 years depending on the brand and terms. The provider, mileage limit, coverage, exclusions and local claim arrangements are confirmed before ordering. Any vehicle supplied without warranty is identified in the quotation.

## Clear action when issues arise

We explain delays, revised estimates and next actions. Arrival concerns are reviewed against specifications, check records and shipping evidence. We coordinate corrective action or the relevant supplier, carrier or insurance claim according to the cause and agreed responsibilities.

---

## Cars from Thailand. Wholesale pricing. Your dealership's brand.

White-label dealer support, presented under your brand. We supply exclusively to dealers and do not sell directly to retail customers.
